

<< **Satellite**

■ INNOVATION

With its unique multi-directional array, the Decous Satellite series provides a high level of sound diffusion, reducing the annoying echo effects of traditional ceiling speakers..

■ THE PLEASURE OF SHARING

In most home theater arrangements, there is only one optimum "Sweet Spot" in which to sit. With its innovative multi-direction projection design, the Decous Satellite series are able to extend the "Sweet Spot" to a "Sweet Zone". Everyone in the room shares the same optimum audio pleasure!

Traditional Arrangement

From Sweet Spot to Sweet Zone

■ FLEXIBLE ARRANGEMENT

There are four different models within the Satellite range, to suit a wide variety of different location and configurations.

SA-1A

VISIBLE AND BEAUTIFUL

The cabinet is made of solid aluminum and finished with a highly polished "Diamond Cut" surface treatment. The stylish curves and high quality craftsmanship are elegant and designed to integrate harmoniously within modern interiors.
